# DYSH™

CONCENTRATED  
LIQUID DETERGENT

FOR HAND WASHING of DISHES, GLASSES, POTS and PANS

Buckeye DYSH is a concentrated, liquid detergent developed for the hand washing of dishes, glassware, pots, pans and silverware.

DYSH is formulated for performance and economy even under the most demanding conditions of fine restaurants, private clubs, school systems and hospitals.

An exceptional product with excellent wetting effects. . DYSH does the job in half the time with less effort. Its instant acting suds cuts stubborn soil faster than ordinary detergents; easily dispersing hard to remove egg residue, grease, lipstick and milk rings. Both glasses and dishes dry spotlessly clean, with or without wiping, due to the softening qualities of this superior detergent.

FEATURES:

- Economical
- Softens Water
- Disperses Soil Quickly
- Rich Suds
- Concentrated

MAKES EVERYTHING SPARKLE LIKE NEW

DIRECTIONS FOR USE: As little as 1/8 ounce of DYSH per gallon of water produces a spotless, sparkling job. Leaves no dulling detergent film.
