

SCENTURION™

ODOR COUNTERACTANT

Scenturion eliminates odors at their sources.

PATENTED...this unique, liquid odor counteractant chemically reacts on contact with urine, feces, food waste and other foul-odor substances to neutralize unpleasant smells. It does not mask odors with heavy perfumes. **Scenturion** may be sprayed, mopped, or poured onto odor sources that cannot be easily removed.

SCENTURION™

ODOR COUNTERACTANT

Scenturion is excellent for combating the unavoidable odors associated with nursing homes, long-term care facilities, schools and universities.

Sprayed inside soiled linen bins, or mopped around toilets, showers and in cafeterias, **Scenturion** may be used throughout facilities to eliminate odors.

By eliminating odors found in these areas, **Scenturion** creates a pleasant environment for patients, workers, students, faculty, parents and visitors.
