

STAR SPRAY™

GLASS CLEANER

Available Packaging

The Star Spray Difference

Star Spray* is a ready-to-use glass cleaner for use on glass, windows, mirrors, Plexiglas®, plastic, glossy paint, stainless steel, counter tops, Formica®, etc.

In addition to glass surfaces, Star Spray also removes smudges and fingerprints from chrome, stainless steel, plastic and painted surfaces.

Star Spray dries quickly, without streaking, reducing the time and labor required to do the job. It is formulated without alcohol, butyl or ammonia—ingredients that may be hazardous to employees and surfaces.

FEATURES:

- Ready-to-use
- Pleasant fragrance
- Non-streaking
- Ammonia and butyl free
- Safe on Plexiglas® and Formica®
- Contains no alcohol

Star Spray is also available in concentrate. Please see the **Star Spray Concentrate catalog sheet for more information.*

DIRECTIONS FOR USE

Star Spray is ready-to-use, and specifically formulated to provide the most efficient cleaning action and the best polishing performance with the least amount of effort.

Note: When cleaning electronic equipment such as computer screens or electronic scanners, spray **Star Spray** directly on a lint-free cloth or paper towel.

General Cleaning:

1. Fill a Grip & Go!® spray bottle with **Star Spray** and apply to the area to be cleaned.
2. Wipe dry with a lint-free cloth or paper towel.

Large Area Window Cleaning:

1. Apply **Star Spray** from a clean bucket using a window brush or suitable applicator.
2. Remove with a squeegee and wipe excess cleaner from squeegee blade, window frames and ledges with a clean cloth. Dilute **Star Spray** 1:4 with water for squeegee applications.

TECHNICAL SPECIFICATIONS
