

**Buckeye®**

**CERT®**

## **Creme Cleanser**

**For cleaning porcelain, enamel, tile, or any surface requiring abrasive action**

Buckeye **Cert** is an exceptional creme cleanser formulated expressly for the cleaning of porcelain, enamel, tile, stainless steel or any surface requiring abrasive action. This specially designed scouring cleanser contains grease emulsifiers, wetting agents, a finely divided carbonate abrasive and a special lubricating agent to provide uniform abrasive action without causing deep scratches.

### **Features:**

- ✘ Versatile ... Cleans Many Types of Surfaces
- ✘ Cleans, Brightens & Polishes
- ✘ Residue-Free
- ✘ Easy-to-Use Squeeze Bottle

Pleasantly scented, **Cert** effectively cleans the grouting of tile floors in shower stalls and bathrooms and is safe to both the surface and user.

### **Cert Can Be Used On ...**

Porcelain, enamel, tile, stainless steel, fiberglass, tubs, sinks, shower stalls, and metal hardware.

## WHERE TO USE:

Buckeye **Cert** is specifically designed for cleaning and polishing ceramic tile, porcelain and enamel fixtures - i.e., tubs, sinks, shower stalls and metal hardware. Also may be used on enameled woodwork as well as stainless steel, pots and pans.

## DIRECTIONS FOR USE:

Apply to surface with damp sponge or cloth, or apply directly to surface from pop-up top. Rub lightly until surface is clean and polished. May be rinsed off or wiped with a dry or damp cloth. **Cert** leaves no white residue.

**NOTE:** ONLY USE ON SURFACES NOT HARMED BY MILD ABRASIVES. To prevent scratching of soft metals (like aluminum), fiberglass, plastic, and appliance enamels, use product sparingly and rub gently with a damp sponge or cloth.
