

BUCKEYE HONORS® CUSTODIAL TRAINING PROGRAM FOR SCHOOLS AND UNIVERSITIES

Buckeye International was founded in 1844, and is a leader in the cleaning and maintenance products industry. With one of the most extensive lines on the market, Buckeye offers superior, cost-effective products that promote safety for the environment and the worker.

Buckeye also leads the way in providing the best training programs for end-users in the industry – and the Honors Custodial Training Program for Schools and Universities is Buckeye's specialized training program for schools and universities. The Honors website, www.buckeyehonors.com, features the complete program and includes training videos and tests, manuals, PowerPoint presentations, Material Safety Data Sheets (MSDS), product literature, and wall charts.

Standardizing cleaning in your school or university will reduce labor and product costs, provide optimal training, simplify ordering, and achieve the best results.

Honors 5-Step Cleaning Process

The Honors Program standardizes cleaning with 5 basic steps to clean any area including:

- Classrooms
- Hallways
- Elevators
- Stairwells
- Lobby/Entrances
- Offices
- Cafeterias
- Gymnasiums

The Honors Program's 5 basic steps are:

1. High dust
2. Spot clean
3. Dust mop
4. Empty trash
5. Damp mop

Buckeye's goal is to provide products that are safer for the worker and environment that produce excellent results. The Buckeye Honors Program is a complete custodial program for schools and universities that presents the products, procedures, and training needed to meet a school or university's highest standards.
