

AUTO WASH™

LIQUID CAR WASH

A mild, concentrated liquid foaming cleaner formulated for use in automatic car wash systems. Excellent penetrating action quickly dissolves road film, allowing the rinse cycle to easily and completely flush away soils.

Buckeye **Auto Wash** leaves glass, chrome, and painted surfaces spot-free and sparkling clean. Completely safe for use on paint, lacquer and enamel finishes. No scrubbing or wiping is necessary - a fast, efficient liquid car wash detergent.

FEATURES:

- Concentrated
- Economical
- Doesn't Spot
- Contains Softeners
- Free Rinsing
- Emulsifies Grease
- Works in Hard or Soft Water

DIRECTIONS FOR USE:

AUTOMATIC SYSTEMS - Use 1/4 - 1/2 oz. concentrate to each gallon stock solution. The strength of the solution should be determined by prevailing seasonal soil conditions and type of equipment used.

MANUAL WASHING - Use 1/4 - 1/2 fl. oz. per gallon of water. Wet vehicle surface thoroughly, working from the top downward. Wash all surfaces using a sponge, towel or mitt. Rinse thoroughly. Do not allow solution to dry on surfaces.

Available in:

TECHNICAL SPECIFICATIONS

% Actives	11.3 ± 0.1
