

SCENTURION™

ODOR COUNTERACTANT

The Scenturion Difference

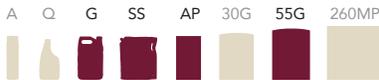

Scenturion is a patented, liquid odor counteractant that chemically reacts on contact with urine, feces, food waste, and other foul-odor substances to eliminate odors at their sources. **Scenturion** is excellent for combating the unavoidable odors associated with nursing homes, long-term care facilities, schools and universities.

Scenturion may be sprayed, mopped, or poured onto odor sources that cannot be easily removed.

FEATURES

- Eliminates odors at their sources
- Chemically reacts on contact with foul-odor substances to neutralize unpleasant smells
- Does not mask odors with heavy perfumes
- May be sprayed, wiped, or poured onto odor sources
