

Symmetry Antimicrobial Foaming Hand Wash with Benzalkonium Chloride

Tested against: *Salmonella enterica*, *Staphylococcus aureus*

E2-rated Symmetry Antimicrobial Foaming Hand Wash with Benzalkonium Chloride is formulated to reduce common disease-causing bacteria. It is fragrance-free and dye-free with a gentle foam that is easy to rinse, and leaves no sticky residue behind. Perfect for facilities that require frequent hand washing like healthcare, retail, and schools.

Symmetry Antimicrobial Foaming Hand Wash with Benzalkonium Chloride is NSF certified, meeting strict standards for non-food compounds that are used in federally inspected meat and poultry plants. This third-party certification ensures that products are thoroughly tested, analyzed, and evaluated for public health protection.
